Safety message-from Mark:

Safety message from afar. As the water is cooling down consider wearing a flotation device and buddying up...As the days are shorter use the lights for early dawn and dusk.

TRR wrap up Peg- thanked everyone with the earlier tragic event in the AM we had to rearrange and the logistics were challenging yet all stepped up, KC is also an asset the Lowell High Crew really stepped up. Thank you to the ENTIRE club for stepping up this year. I have had no negative feedback! None. Loads of enthusiasm about coming back next year. That is unprecedented in the 33 years I've been doing the TRR. So awesome! The club really came together as a team this year. I'm SO proud of us! Jessica Murray is the best to work with.
